For the 2018 Fall season, the Pier Group has developed a six (6) week program starting on September 23, 2018, to introduce or reintroduce parishioners to our Young Adult Group. We will focus our activities on an adult introduction to the faith, faith building exercises, sports activities, and special activities to engage our adult parishioners.

The Pier Group at Saint Mary Parish is a Young Adult Ministry for adults between 18-39 years of age. We strive to incorporate bible verse reflection and prayer with social and community service events.
